Walinga now offers a clear pipe kit for piping to be used as a sight point in the piping systems. With the clear pipe kit you are able to monitor the conveying velocity. By being able to monitor the conveying rate, it is easier to understand the impact of the adjustments to the blower and airlock speed.

The kit consists of the following items:

1. Appropriate three bolt compression couplings
2. Stainless steel grounding strip
3. 24" long polycarbonate tubing

The following are the part numbers for the piping kits

- **11-113690-5** – 3" diameter piping kit
- **11-113691-5** – 4" diameter piping kit
- **11-113692-5** – 5" diameter piping kit
- **11-113693-5** – 6" diameter piping kit
- **11-113825-5** – 7" diameter piping kit
- **11-113827-5** – 8" diameter piping kit
